Planning Committee Reports

Item 13.1 180 (Lot 2) Bennett Street, East Perth – Proposed Demolition of Existing Single Storey Building and Construction of a Sixteen Level Hotel (‘Special Residential’) Development Comprising 85 Hotel Rooms With A Restaurant and Bar

The Committee recommendation to the Council for this report was resolved by the Planning Committee at its meeting held on 19 September 2017.

The Committee recommendation to the Council is the same as that recommended by the Officers.

OFFICER AND COMMITTEE RECOMMENDATION

That, in accordance with the provisions of the City Planning Scheme No. 2, the Metropolitan Region Scheme and the Planning and Development (Local Planning Schemes) Regulations 2015 – Deemed Provisions for local planning schemes, Council APPROVES BY AN ABSOLUTE MAJORITY the application for the proposed demolition of the existing building and construction of a sixteen storey hotel (‘Special Residential’) development containing 85 hotel rooms, with a ground floor restaurant and bar, as indicated on the Metropolitan Region Scheme Form One dated 16 August 2016, and as shown on the plans received on 6 September 2017 subject to:

1. the proposed development being restricted to a maximum plot ratio of 3.6:1 (1,815m²) inclusive of 20% bonus plot ratio (or 297m² plot ratio floor area) for incorporating a new Special Residential use in accordance with clause 28(2)(c)(i) of City Planning Scheme No. 2 and the requirements of the Bonus Plot Ratio Policy 4.5.1;

2. any subsequent change of use of the Special Residential portions of the development being prohibited within 10 years following the date on which those portions of the development are lawfully occupied, pursuant to Clause 35(1)(b) of City Planning Scheme No. 2;

(Cont’d)
3. the exterior of the hotel building being constructed from high quality and durable materials, colours and finishes with the final details of the design and a sample board of the materials being submitted for approval by the City prior to applying for a building permit;

4. any proposed external building plant, lift overruns, piping, ducting, water tanks, transformers, air condensers and fire booster cabinets being located so as to minimise any visual and noise impact on the adjacent developments and being screened from view, with details of the location and screening of such plant and services being submitted for approval by the City prior to applying for a building permit;

5. a final Vehicular, Service and Delivery Access Plan, outlining the management strategies to deal with the dropping off and picking up of hotel guests via taxi or other transport; strategies for advising guests upfront of limitations in parking in the locality; and including arrangements for on-site servicing of the building, being submitted for approval by the City prior to the occupation of the hotel with the plan being implemented by the hotel proprietor/manager thereafter to the satisfaction of the City;

6. a Hotel Management Plan addressing the operation of the hotel in accordance with the provisions of the City’s ‘Special Residential (Serviced and Short Term Accommodation) Policy’, including but not being limited to the following:-

   a. Company name and relevant experience of management/operator;
   b. Opening hours for guest check-ins and check-out including the method of reservations/bookings;
   c. Security of the guests and their visitors;
   d. Control of noise, patron behaviour and other disturbances, particularly in relation to the use of the bar facilities;
   e. Cleaning and laundry services, where applicable; and
   f. A complaints management service.

   being submitted for approval by the City prior to the commencement of the hotel use, with the management plan being implemented by the proprietor/manager on an ongoing basis to the satisfaction of the City;

7. the Waste Management Strategy dated August 2017 being implemented by the managers of the hotel, with any alternative waste management proposals that might impact on the design of the building being submitted for approval by the City prior to applying for a building permit;

8. details of on-site storm water disposal/management being to the City’s specifications and being submitted for approval by the City prior to applying for a building permit;

9. the proposed floor levels of the pedestrian entrances to the building being designed to match the current levels of the adjacent footpaths, to the City’s satisfaction, with details being submitted for approval by the City prior to applying for a building permit;

(Cont’d)
10. any external signage for the hotel, including the restaurant and bar, being integrated into the design of the building and any signs which are not exempt from approval under the City’s Signs Policy 4.6 shall require a separate application for approval by the City;

11. in the event that the approved development has not been substantially commenced within six months of the demolition of the existing buildings on site, the site is to be landscaped or aesthetically screened at the owner’s cost, with details being submitted and approved by the City prior to installation, in order to preserve the amenity of the area, to prevent unauthorised car parking and to prevent dust and sand being blown from the site, with the site being maintained in a clean and tidy state to the City’s satisfaction;

12. the works referred to in Condition 11, shall be secured by a bond/deed of agreement between the applicant and the City, to the value of the proposed works, with the cost of the deed to be borne by the owner, prior to the demolition of the existing building on site;

13. the design of the accommodation rooms within the development incorporating appropriate noise attenuation so that noise occurring between hotel rooms and from external noise sources and mechanical plant and equipment that could potentially affect future occupiers, can be successfully ameliorated. Details of such noise attenuation measures shall be prepared by a qualified acoustic consultant and be submitted for approval by the City prior to applying for the relevant building permit; and

14. demolition and construction management plans for the proposal being prepared in accordance with the City’s ‘Construction and Demolition Management Plan Pro-Forma’ and being submitted for approval by the City prior to applying for the relevant demolition or building permits.
