Council Policy Manual

CP15.2 Protection and Enhancement of Open Space

POLICY OBJECTIVE

To maintain and enhance the City’s existing public open space, including its street trees, as an important element of the city.

POLICY STATEMENT

The City will aim to:-

• ensure that all of the public open space within the city is retained;

• prevent intrusion into parks, street trees and open space as a result of private or public development, new roads and car parks;

• prevent net loss of parks, street trees and open space by ensuring that any unavoidable loss is replaced by the equivalent in another location;

• secure new public open space where appropriate;

• protect and maximise public access to parkland;

• ensure that open space is designed, developed and landscaped in accordance with any relevant guidelines adopted by the Council.
